

Langstone Sailing Club
Langstone Road
Havant
PO9 1RD

USE OF CLUBHOUSE

The Club Shall

- Advise you of the routes and descriptions of any means of emergency evacuation
- Advise you of the location of all first aid points. NB. It is the responsibility of the hirer to provide suitably qualified first aid cover
- Supply you with contact details of Club officials to be contacted in the case of any emergency
- If using the Galley, to advise you of all the guidelines and operating procedures

The Hirer Shall

- Not allow smoking anywhere within the building and within 4 meters of any of the entrances.
- Not allow the use, participation or consumption of any banned substance in the grounds or premises
- Maintain the integrity of fire routes throughout the building at all times
- Not damage, alter or affect the fabric of the building, decorations, outbuildings or any property on the site
- Notify the club at the earliest opportunity of the use of any of the club's emergency or first aid equipment
- Not use the building, grounds or site for any activity other than that agreed at the point of booking
- Leave the Clubhouse and any other area used, in a clean, tidy and functional state unless arrangements have been put in place and agreed with club officials for an independent clean
- Agree to reinstate the Club for any damages incurred during the set up, duration and clearing up of the hire.
- Vacate the premises at the agreed time for the end of the function

MANDATORY REQUIREMENTS

- No smoking in the grounds or premises unless in designated areas
- No use, participation or consumption of any banned substance on the whole site
- Fire routes to be kept clear at all times
- All Langstone Sailing Club procedures and operating instructions to be strictly adhered to

I/We confirm that Langstone Sailing Club have explained and outlined the relevant safety procedures at the Club

I/We confirm that I/We will adhere to requirements of hire and the statutory requirements
